SOROPTIMIST SCRIBBLINGS

"Ninety per cent of the displaced persons brought to the United States have held their first jobs," Lt. Col. Lawrence Meinzen, public relations director for Lutheran Churches told members of the Albany Soroptimist Club at the Wednesday luncheon.

Speaking on "Displaced Persons," Col. Meinzen pointed out that in April, 1949, there were some 16,000,000 persons in Germany with the D.P. classification. Of this number, Canada has taken about 4,000,000 and Australia and South American countries many more.

"The United States has fallen behind in accepting D.P.'s," he said, "because of more rigid regulations."

Col. Meinzen, a retired Army officer and recently returned from Germany after a year's study of post-war conditions, said three provisions are required for getting D.P.'s into the U. S. They include housing facilities, jobs for all able-bodied persons and transportation from port of entry in U. S. to destination.

The speaker was introduced by Bernice Boyd, program chairman. President Edith Lemox presided.

The club voted to supply the meat portion of a Thanksgiving dinner to a local family of nine.

Fines were levied on Freda Bolton for giving her address as 1711 Solano; Miriam Gilsenan for having her picture in the paper; Janet O'Keefe for nearly losing her strapless dress, and Irene Villa and Sally Nelson for forgetting their badges.—Nell Moore.

Many reservations have been made to date, although a few tickets are still available, according to Miss Ruby Fara, chairman.

Leaders State Reasons For Supporting Chest

With Albany still only 80 per cent along the way toward an \$11,000 goal in the Community Chest drive, top Albany leaders today released statements underlining the urgency of Albany hitting the 100 per cent mark.

The statements, by spokesmen for civic, religious, educational, business and service groups in Albany, follow:

Mayor Charles F. Graeber: "Every Albany citizen, who has not done so already, is urged to give a fair share toward our goal in this drive. The need is great, and the services rendered our Albany people are of inestimable value. We must not penalize the people who may be least able to afford it by cutting our contributions, because of higher costs, but should give more, so that no worthy person need be turned away."

Dr. Paul Bryan, superintendent of schools: "The youth organizations in Albany have done a great deal to develop boys and girls with fine character. Since the organizations are largely financed by the Community Chest, we can make possible their continued service to our youth by contributing liberally to the Chest."

Plans are now being made for the Christmas holiday program.

As an added convenience to local shoppers, members of the association remain open each Friday until 9 p.m. The group also sponsors a big merchandise drawing the same evening at one of the Solano stores.

'You Can Beat The A-Bomb' on Albany Screen

Counter-measures to an atom bomb explosion near a typical American community are dramatically demonstrated in the timely short feature, "You Can Beat The A-Bomb," scheduled today and Saturday at the Albany Theatre.

A special premier showing of the entertainingly and dramatically presented picture was shown to some 300 Albany civic leaders 5:30 p.m. Thursday under sponsorship of Albany Chamber of Commerce in conjunction with the city's civil defense program.

Planned to minimize fear and panic, the film points out the benefits of atomic power in the fields of medicine and engineering, while stressing the importance of effective defense against the explosion and radiative danger of the power when used in a weapon.

In urging all Albany residents to see the picture, Chairman Gerald Browne of the Albany Disaster Council said:

"The film presents its story with no intent to frighten the public, but to offer it hope or assurance of escape even in dire crisis. The movie is aptly described as 'the picture that may save your life'."

The regular screen attraction is "Sunset Boulevard" starring Gloria Swanson and "The Desert Hawk."

Cornell Brownies Appear on Jolly Bill's Radio Show

Brownie Troop 123 of Cornell School appeared on Jolly Bill's radio program last Friday afternoon originating from the KNBC Studios in San Francisco.

Preceding the broadcast, the Brownies were taken on a "behind the scenes" tour of the studio seeing many interesting sights.

A recording was made of the program which was played-back so the children could hear how they sounded on the radio.

Brownies making the trip were Sandra Bisset, Dona Bonato, Johanne Chiaratano, Thelma Dedieu, Sharon Goss, Cynthia Lane, Ann Mattiotta, Gale McCormick, Shirley Pierce, Judy Smith, Karen Sorensen, Karol Sorensen, Rose Ann Touli, Judy Wegin and Tone Young.

Accompanying the youngsters were Mrs. Lawrence Lane, leader, Mrs. Earl Sorensen, assistant leader, Mrs. Frank Goss and Mrs. Wanda Young.

CANASTA-WHIST PARTY

The University Chapter of the DeMolay Mothers' Club is holding a canasta and whist party 8 p.m. Friday, November 24 at the Thousand Oaks Masonic Temple, Catalina and Colusa, Berkeley. A door prize and high score prize will be awarded. Admission is 50 cents.

City Council Undecided on Where to Use

Albany, which ordinarily has a tough time keeping within its limited budget, today had \$50,000 to spend as a gift from the county. However, like Cinderella going to the ball—there are a couple of strings attached.

First, the funds must be used on a special street project, one which connects with a County or State highway.

Two, the money must be used by the end of this fiscal year (July).

The City Council Monday night approved a motion of Councilman Jerome Blank to refer the matter to the Park, Planning and Zoning Commission for a report.

Blank said the Alameda County Board of Supervisors allotted \$25,000 from gas tax revenue to Albany last year for the extension of Marin Ave. He said another \$25,000 was earmarked for Albany this year to be used on a special street project.

Blank said some residents had protested the extension of Marin Ave. beyond San Pablo Ave., fearing it would become a "speedway." He said the money could be used for improving one of the through streets or perhaps the construction of a new approach to East Shore Highway.

Councilwoman Kathie Zahn told the Council again Monday night that "the city is going into the red \$130 each month by employing a full time poundmaster. She held that the city budget could not afford it.

The Council two weeks ago employed Poundmaster Walter Asher full time on a recommendation of Councilman John C. Longaker and Police Chief Stanley C. Williams.

Longaker said the budget allowed \$150 per month for the poundmaster, plus \$100 as rodent control officer. In addition, he said the city receives a monthly refund from the Berkeley Humane Society with which the city has a contract.

A letter from Dr. Robert T. McMahon, former city health officer, said the leveling of Albany Hill "would probably be for betterment of the city." However, he said contractors should be required to submit complete plans of the project for approval, post sufficient bond to assure the city and property owners the work would be carried out, and that blasting should be kept at a minimum and well supervised.

The letter was referred to the special hearing on the hill development scheduled for Thursday night.

In other business, Councilman Raymond Cleary renamed Eugene K. Lawler, of 1122 Santa Fe Ave., to the Albany Civil Service Board. Cleary named him to the post last April but Lawler was found ineligible because he had not resided in Albany for the required three years.

High School PTA Launches Drive

Using the slogan "Fathers Are Parents, Too," the Albany High School PTA this week launched its fall membership drive. Special emphasis is being placed on recruiting fathers into the organization.

A letter was sent out to all parents of Albany High students inviting them to join the association. The letter also listed three fund raising projects as follows:

Turkey roast, December 15, with Mrs. Emory Young and Mrs. Frank Tambo as co-chairman.

Runaround sale, February 23, under chairmanship of Mrs. Henry Hillebrand.

Paper and magazine drive, from present time through April 15, under direction of Mrs. Maurice Giles.

All proceeds from the affairs will be used for student welfare.

Mr. and Mrs. G. W. Zeigensuss are chairmen of the membership committee.

The PTA honored members of

Junior Red Cross Hits 100 Per Cent Membership Goal in Local Schools

This fall's annual drive for enrollment by rooms in the Junior Red Cross was completed this week with a 100 per cent sign-up of the boys and girls of the public, private and parochial schools of Berkeley and Albany.

Carroll Johnson, Junior Red Cross chairman for Berkeley chapter, emphasized that the drive was to enlist pupils for service, not a dues drive. Junior Red Cross members give to their service fund at the time of the annual fund drive in March, Johnson stated.

The hospital program of Junior Red Cross will be stepped up this year with the addition of beds to Bay Area service institutions to care for casualties from Korea. Boys and girls send greeting cards, holiday favors, flowers, comfort items, and home-made cookies to patients. Hospitals served are the U. S. Naval Hospital at Oakland and Mare Island, and veterans hospitals in Livermore, Oakland and Yountville.

Help is given to needy families in the community by the Junior Red Cross in its wheeled-ton project. Used toys are collected, repaired by the Berkeley High School Shop, and distributed by the Berkeley Christmas Committee.

International Junior Red Cross activities planned for this year include exchange of friendship albums with foreign students and filling 750 gift boxes with school and health supplies for needy pupils overseas.

CHURCH TURKEY WHIST

The annual Thanksgiving turkey whist party sponsored by the Holy Name Society of St. Mary Magdalen's Church will be held 8 p.m. Monday at the parish hall, Milvia and Berryman Sts., Berkeley. The public is invited.

Thirty permits for the construction and alteration of buildings estimated to cost \$86,875 were issued by the City of Albany during the month of October, a drop of \$113,375 from the \$200,250 issued during the same period last year.

Leading figures in the report were permits for the construction of three multiple family dwellings estimated to cost \$45,000, and three permits for new homes estimated cost of \$30,100. The city also approved alterations on seven homes at an estimated cost of \$4,318.

Fees collected during October totaled \$418, according to City Engineer Howard B. Carter.

Value of permits to date totals \$798,276. Value of permits for the same period last year was \$955,934.

Christian Science

"Soul and Body" is the subject of the Christian Science Lesson Sermon for Sunday, November 19, with the Golden Text taken from the eighty-fourth Psalm: "The Lord will give grace and glory: no good thing will he withhold from them that walk uprightly."

The sermon will be conveyed, of other citations from the Bible and from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, including the following:

Luke 13:11-13: "And, behold, there was a woman which had a spirit of infirmity eighteen years, and was bowed together, and could in no wise lift up herself. And when Jesus saw her, he called her to him, and said unto her, Woman, thou art loosed from thine infirmity. And he laid his hands on her; and immediately she was made straight, and glorified God."

Science and Health: "If a man is governed by the law of divine Mind, his body is in submission to everlasting Life and Truth and Love" (p. 216).

Chest Leaders

(Continued from page one)

its goal, it couldn't serve the great demands upon its agencies.

Joe Villa, Albany businessman: "We can show our pride in our Albany community by giving generously to that organization which does so much for our people, especially our youth. Let's show our community spirit by giving wholehearted support to the Community Chest in appreciation of its fine services."

Harold Denham, general of the Albany division of the Community Chest, added these few words: "Any person in Albany who hasn't given to this Community Chest campaign, is urged to send in their contribution, even as low as one dollar, to the Community Chest office, 2073 Allston Way, Berkeley. Every dollar counts now, in this last stage of the drive. We all want to meet our \$11,000 goal. If everybody gives—everybody will benefit."

The greatest parts, without discretion, may be fatal to their owner—Hume.

Many Have Expressed Their Appreciation

The decorations, the furnishings, and the convenient arrangement of our lovely drawing room chapel have met with genuine approval. Many of those we have served have mentioned their appreciation of the beauty and convenience of our drawing room chapel.

Built for tough service — all ways!

CHEVROLET TRUCKS

with Chevrolet's Hypoid Rear Axle

Single-Unit Housing
There's maximum strength... longer trouble-free service! Chevrolet rear axle housings are formed into tubular steel beams; no bolts or rivets to work loose.

Full-Size inspection plates
Easy-to-remove, one-piece inspection plate saves time and labor... provides full view of rear axle gears when removed.

Splined Axle-to-Hub connection
Splines—not bolts—deliver the driving power evenly—without strain—on all heavy-duty models. Loose axle shaft bolts and costly grease leaks are eliminated.

Straddle-Mounted Pinion
Gears last longer... pinion gear is supported at each end by ball bearings to keep it in mesh. Adjustable thrust pad prevents distortion of ring gear when starting heavy-duty trucks with heavy loads.

4-Pinion Differential
Load and shock of heavy loads are distributed over four pinions instead of two in all Chevrolet medium- and heavy-duty trucks—for longer axle life and greater strength.

Chevrolet trucks are engineered to "take it" on the roughest, the toughest jobs. The single-unit design housing and splined axle-to-hub connection of Chevrolet's hypoid heavy-duty rear axle mean strength and stamina found in no other truck rear axle in Chevrolet's class. Combine that with other outstanding Chevrolet features... powerful Valve-in-Head engines, Synchro-Mesh transmissions, channel-type frames with alligator-jaw cross members! Here is the truck that can handle tough jobs... America's most popular truck. Come in and see these great Chevrolet trucks today.

Plus CHEVROLET ADVANCE-DESIGN TRUCK FEATURES Two Great Valve-In-Head Engines • Power-Jet Carburetor • Diaphragm Spring Clutch • Synchro-Mesh Transmissions • Hypoid Rear Axles • Double-Articulated Brakes • Wide-Base Wheels • Ball-Type Steering • Unit-Design Bodies • Advance-Design Styling.

For 1951, as for many years past, Lincoln again assumes undisputed leadership in the fine car field with the magnificent and high-spirited new Lincolns now awaiting your critical inspection at our showrooms. Powered with the same great Lincoln V-type engine that has won top honors at Daytona Beach and other competitive events throughout the nation, the exciting new Lincoln and the dramatic new Lincoln Cosmopolitan combine thrilling performance with the timeless elegance and discriminating luxury that only three long decades of matchless Lincoln craftsmanship could achieve.

Here are years of smooth, effortless driving, thanks to reliable, economical Hydra-Matic. And sheer, wonderful comfort is yours in the Fiberglas-hushed interiors of the new Lincoln—with rich, sumptuous tones of nylon and broadcloth blended in a smart new upholstery decor.

With sleek new styling, larger window area, and gorgeous new colors throughout, the Lincoln of 1951 is ready in every detail to enhance a great and growing reputation for enduring excellence.
